APPENDIX 1 POLICY HISTORY	7

1. INTRODUCTION

- 1.1 The purpose of the policy is to ensure that there is clarity over those items that the school will provide free of charge and for those items where there may be a charge.
- 1.2 Ventrus Multi Academy Trust is an inclusive trust of schools, committed to adhering to all statutory guidance whilst ensuring equal opportunities for all students.
- 1.3 This policy is based on advice from the Department for Education (DfE) on charging for school activities and the Education Act 1996, sections 449 to 462 of which set out the law on charging for school activities in England. Academies are required to comply with this Act through their funding agreements.
- 1.4 It's also based on guidance from the DfE on statutory policies for schools and academy trusts.
- 1.5 This policy complies with our funding agreement and articles of association.

2. DEFINITIONS

- 2.1 **Trust:** Ventrus Multi Academy Trust
- 2.2 **Charge:** a fee payable for specifically defined activities
- 2.3 **Remission:** the cancellation of a charge which would normally be payable
- 2.4 The school day is defined as the hours during which teaching and learning usually take place. The lunchtime break does not form part of the school day.

3. RESPONSIBILITIES

- 3.1 The Head Teacher will ensure that staff are familiar with and correctly apply the policy.
- 3.2 The Directors will review the body of the policy annually and the local governors of each school will review the applicable appendix to the policy on an annual basis.

4. POLICY STATEMENT

- 4.1 During the school day no charge will be made for activities that are part of the national prescribed curriculum. This includes any materials, equipment and transport to take pupils between the school and the activity. It excludes instrumental or vocal tuition, for pupils learning individually or in groups, unless the tuition is provided at the request of the pupil's parent. Or unless the teaching is an essential part of either the school curriculum or a public examination syllabus being followed by the pupil(s).

5. VOLUNTARY CONTRIBUTIONS

- 5.1 Voluntary contributions may be sought for activities during the school day that attract additional costs.
- 5.2 In these circumstances no pupil will be prevented from participating because his/her parents/carers cannot or will not make a contribution. However, if insufficient funds are available it may be necessary to curtail or cancel activities.
- 5.3 From time to time a school may invite a non-school based organisation to arrange an activity during the school day. Such organisations may wish to charge parents/carers, who may, if they wish, ask the Headteacher to agree to their child being absent for that period.

6. EDUCATION PARTLY DURING THE SCHOOL DAY

- 6.1 If a non-residential activity happens partly inside the school day and partly outside of it, there will be no charge if most of the time to be spent on the activity falls within the school day. Conversely, if the bigger proportion of time spent falls outside of the normal school day,

charges will be made. When such activities are arranged parents/carers will be told how the charges were calculated, by request.

7. RESIDENTIAL ACTIVITIES

- 7.1 Charges will be made for board and lodging, except for pupils whose parents/carers are in receipt of eligible benefits.
- 7.2 Other charges will be made to cover costs when the school incurs additional expenses that would not have been incurred in the course of day-to-day operation. In such cases parents/carers will be told how the charges were calculated, by request.

8. OPTIONAL ACTIVITIES OUTSIDE OF THE SCHOOL DAY

- 8.1 The school may charge for optional, extra activities provided outside of the school day that are not part of the school's curriculum nor part of an examination syllabus. Where the school wishes to charge it will tell parents/carers in advance. Where specific funding has been received to support particular activities the school will subsidise the charge to the extent permitted by the funding.

9. OPTIONAL EXTRAS

- 9.1 Charges will be made for some activities known as "optional extras". Where an optional extra is being provided, a charge can be made for providing materials, books, instruments or equipment. Optional extras are:
 - Education provided outside of school time that is not:
 - Part of the national curriculum;
 - Part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school; or
 - Part of religious education.
 - Examination entry fee(s) if the registered pupil has not been prepared for the examination(s) at the school;
 - Transport that is not required to take the pupil to school or to other premises where the school have arranged for the pupil to be provided with education; and
 - Board and lodging for a pupil on a residential visit.
 - Extended day services offered to pupils e.g. breakfast / after school club.
- 9.2 In calculating the cost of optional extras an amount may be included in relation to:
 - Any materials, books, instruments, or equipment provided in connection with the optional extra;
 - The cost of buildings and accommodation;
 - Non-teaching staff;
 - Teaching staff engaged under contracts for services purely to provide an optional extra, this includes supply teachers engaged specifically to provide the optional extra; and
 - The cost, or a proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, where the tuition is an optional extra.
- 9.3 Any charge made in respect of individual pupils will not exceed the actual cost of providing the optional extra activity, divided equally by the number of pupils participating. It will not include a subsidy for any other pupils wishing to participate in the activity whose parents are unwilling or unable to pay the full

charge. A charge will not be added for the cost of alternative provision for those pupils who do not wish to participate.

- 9.4 Participation in any optional extra activity will be on the basis of parental/guardian/carer choice and a willingness to meet the charges. Parental/guardian/carer agreement is therefore a necessary pre-requisite for the provision of an optional extra where charges will be made.
- 9.5 The school can make a charge to cover the costs of materials/ingredients for subjects such as design or food technology where parents have indicated in advance that they would like their child to bring home the finished product.

9.6 Malicious Damage

Where it can be proved that a child or group of children have caused damage to school property or resources, a charge will be made to parents in order to replace/mend the damage that has been caused.

9.7 Minibus

The following applies if the school has a permit issued by the LA under section 19 of the Transport Act 1985. Only pupils of the school, school staff or parents/carers may be charged for travel in the minibus. Charges made will cover the cost of running, maintaining and insuring the minibus. However, the service should not make a profit for the school.

A charge for the above cannot be applied for the following:

- transporting registered pupils to or from the school premises, where the local education authority has a statutory obligation to provide transport;
- transporting registered pupils to other premises where the governing body or local authority has arranged for pupils to be educated;
- transport that enables a pupil to meet an examination requirement when they have been prepared for that examination at the school; and
- transport provided in connection with an educational visit

9.8 Calculating charges

When charges are made for any activity, whether during or outside of the school day, they will be based on the actual costs incurred, divided by the total number of pupils participating. There will be no levy on those who can pay to support those who can't or won't. Support for cases of hardship will come through voluntary contributions and fundraising.

Parents/carers who would qualify for support are those who are in receipt of eligible benefit. Pupil premium funding may be used to support some pupils.

The principles of best value will be applied when planning activities that incur costs to the school and/or charges to parents/carers.

9.9 Music Tuition

Although the law states that all education provided during school hours must be free, music lessons are an exception to this rule.

Charges will be made for teaching either an individual pupil or groups of any size, providing the tuition is provided at the request of the pupil's parent. Charges will only be made if the teaching is not an essential part of the national curriculum.

In cases of hardship the Headteacher will consider in their absolute discretion the remission of fees (either in full or in part) for those pupils who they consider will benefit from such tuition.

9.10 Refunds

Some trips will require a non-refundable deposit. This deposit will only become refundable if the trip is cancelled by the school. If a pupil pulls out of the trips through medical grounds, then this will be reviewed on an individual basis.
